Members Are Perfecting Several Strokes; Hope to Compete With Other Colleges.

It's nearly winter in California, according to the calendar, but not from what the thermometer records. While residents of the East are shivering in the chilly blasts of King Frost and dodging snowflakes, San Diego is basking in sunshine.

San Diego high school misses are carrying on their program of aquatic activities without cessation. These bathing girls from the Hilltop institution of learning have no months to compass buy bathing. June and November are the same with them.

and under the direction of Miss Mary Ada Pease, coach, they are becoming proficient in swimming and diving. Before taking up the duties of coaching the college swimmers, Miss Pease was a member of the champion girls' team at high school. While a member of the team, Miss Pease set several records that have not been lowered.

The swimmers meet every Tuesday at Kyle's and are perfecting a number of different strokes. When the aquatic season opens, the co-eds hope to compete with several of the northern junior colleges and in this way expect to bring added laurels to the institution on the hill. After the mid-term examinations, it is believed the membership of the club will double. At present the enrollment numbers nineteen. Miss Harriet L. Bromley, registrar of the junior college, and Miss E. L. Mason, an instructor, chaperon the club at each meeting.

Among the members of the club are the Misses Louise Escheninger, Zillah Ryan, Helen Macpherson, Benita Eadie, Dorothy Chase, Helene Conant, Hazel Newell, Helen Burke, Billie Waring, Helen Beers, Geneva Bell, Lorine Rossman, Ruth Harsha, Wortha Merritt, Virginia Gilchrist, Florence Van Sant, Thelma Moss, Lottie Crawford and Lucille Provost.
